Signup and Registration Process

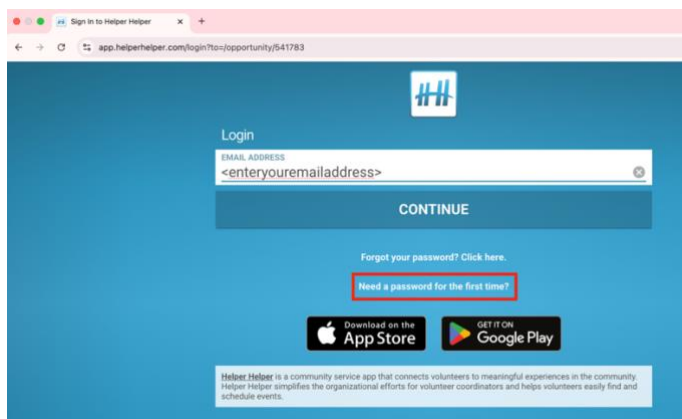

Step 1: Visit either one of link per your location choice

Royapuram Blood Bank: <https://app.helperhelper.com/opportunity/644515>

Kolathur Blood Bank: <https://app.helperhelper.com/opportunity/645259>

If you are new user, Click “Need a password for the first time”

If you have used HelperHelper App previously, then try “Forgot your Password? Click here”

Step 2: Once you select “Need a password for the first time?”, you will see the below screen. Type in your email ID once again, hit “Send Password” so that a temporary password will be sent.

Step 3: A email will be received from info@helperhelper.com with a temporary password. Use that password and login via the same link
Royapuram Blood Bank: <https://app.helperhelper.com/opportunity/644515>
Kolathur Blood Bank: <https://app.helperhelper.com/opportunity/645259>

Enter your email address, and hit continue.

Step 4: Copy the temporary password received in your email and enter it in the next screen and click “Sign in”.

Step 5: In the next screen, please set your own password to login.

Step 6: Once you create your password, you will be taken to the home page. Select the event and “Sign up” for the date / time that you wish to donate.

Step 7: Select the number of Adults (apart from you). If you are the only member attending, you need not fill anything in the Adults space. (This opportunity is not applicable for Children)

Step 8: Click “Sign Up” and you are done. There will be a tick mark once you have completed the process. You can add the event to your calendar as well.
